

PHOTOGRAPHY

Theme:- Enigma XII

Venue for shooting:- UGI campus

For photography, you need to capture photos of Enigma and then create a video compilation of those photos. The video should be at least 1 minute long.

Rules and Regulations:-

The background story of a picture often holds more significance than its quality during evaluation.

1. All the location which is going to be in your photograph is of your college campus only. No outside location is allowed.

2. If any outside location is found in the photograph, the participant will be disqualified.

3. Pre-shot materials or external content are not allowed. 4.

Judges may consider the story the photo tells.

5. Judges may consider how the elements in the scene are arranged. 6. Judges may consider the points of interest in the photo.

7. Photographs must be in JPEG format and date & time of photography should be mentioned in the details of the participant.

8. Maximum one photograph may be sent for the competition. 9. Each photograph should be given an appropriate title.

10. Last date of submission of the photograph is 23rd November before 11 A.M.

11. No photograph will be entertained after sending the last date of submission.

12. Decision of the judges will be the final decision.
