

TREASURE HUNT

Theme Title: "Murder Mystery"

Storyline:

Years Ago, the United Group of Institutions was shaken by a mysterious tragedy—the sudden disappearance of Professor Edmund Graves, a brilliant but reclusive historian. Rumor has it that he discovered a hidden treasure within the campus grounds, one so valuable it led to his untimely death at the hands of a desperate student. The killer was never found, and Professor Graves' treasure remains hidden to this day.

Now, it's up to you, the detectives, to uncover the truth. Armed with only scattered clues left behind in dimly lit rooms and hidden passages, you must solve the riddles, find the treasure, and bring the murderer's secrets to light. Each room will hold cryptic messages, hidden keys, and chilling props—a twisted map, a bloody handprint, a final note from the professor—all leading you closer to the truth. But beware, for every answer brings a new twist, and only the keenest detectives will piece together the full story.

Are you ready to step into the shadows, uncover the clues, and solve the Murder Mystery?
